**BACKGROUND:**

This amended registration, for the subject fungicidal protective coating, was submitted by the registrant, Specialty Construction Brands, Inc.

The registrant has requested approval to make minor modifications to the current Basic CSF. More specifically, the registrant proposes to increase the

[REDACTED] from [REDACTED] and to increase the [REDACTED]  
[REDACTED] from [REDACTED] The purpose of these modifications is [REDACTED]

The following documents were submitted and examined for the chemistry review of this submission: registrant's cover letter dated February 3, 2005, application for amended registration dated 2/2/05, revised Basic CSF dated 2/2/05, cover letter and corrected 2/2/05 Basic CSF per reviewer instructions dated 3/24/05, MSDS and Product Data Sheet covering [REDACTED] and [REDACTED] and product label dated March 19, 2004.

#### FINDINGS:

1. The proposed minor changes in the inert ingredient composition, which are the basis of this amendment, are accepted.
2. All active and inert ingredients utilized in the formula are cleared for use in pesticide formulations.
3. The requirements of PR Notice 91-2 were satisfied. The nominal concentration of the active ingredients given in the revised Basic CSF agreed with the percentages declared on the label.
4. Upper and lower certified limits for both the active and inert ingredients are acceptable.
5. All other elements of the revised Basic CSF were acceptable.

#### RECOMMENDATIONS:

This application for amended registration, requesting minor changes in the inert ingredient composition of **Foster 40-20 Fungicidal Protective Coating**, is accepted.
